Unpublished opinions are not binding precedent in this circuit. See Local Rule 36(c).

PER CURIAM:

Jaime Acevedo seeks to appeal the district court's order dismissing some claims, denying his motions for default judgment and sanctions, and ruling on other miscellaneous requests relating to his action filed pursuant to 42 U.S.C. § 1983 (2000). This court may exercise jurisdiction only over final orders, 28 U.S.C. § 1291 (2000), and certain interlocutory and collateral orders, 28 U.S.C. § 1292 (2000); Fed. R. Civ. P. 54(b); Cohen v. Beneficial Indus. Loan Corp., 337 U.S. 541 (1949). The order Acevedo seeks to appeal is neither a final order nor an appealable interlocutory or collateral order. Accordingly, we dismiss the appeal for lack of jurisdiction. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.

DISMISSED
